

Welcome Note

Dear Friends and Colleagues,

We are proud to announce that the 12th World Congress on Controversies in Neurology (CONy) will take place in Warsaw, Poland on March 22-25, 2018.

In recent years the field of neurology has witnessed enormous growth in clinical and basic data. Conferences are more informative but there is often only limited time for thorough discussions. Consequently a gap appears between the expansion of knowledge and its dissemination and use. CONy provides a platform for international experts to discuss and compare experiences.

The core of the CONy Congress are the debates which enable participants to discuss unresolved issues with leading world experts. The Congress aims to provide the most recent data arming the clinician with reliable, up-to-date scientific information, helping in everyday patient care.

We cordially invite you to join us in the beautiful city of Warsaw!

Sincerely,

Amos Korczyn **Jaroslav Slawek**
Israel Poland
